TOP TIP!! – Translating Websites

WEBSITE NOT IN ENGLISH?? TRANSLATE IT TO ENGLISH!! SAME FOR EMAILS, TRANSLATE THEM AND BUY ANYWHERE IN THE WORLD!

To get the best discounts download a free web translator from this link <http://uk.altavista.com/toolbar> this enables you translate and foreign websites (inc japanese) to english so browsing is easier (also can be used for translating text/docs/emails, it also has a free pop up killer too!!! If you want to translate without the toolbar use <http://www.freetranslation.com>

TOP TIP!! – Converting to £

WEBSITE NOT IN ££££?? TRANSLATE FOREIGN CURRENCY TO STERLING!! WITH A FREE ONLINE CURRENCY CONVERTOR – <http://finance.yahoo.com/m5?a=85&s=GBP> or <http://www.xe.com>

TOP TIP!! – Avoiding Customs Fees

If your new to buying from ebay sellers on ebay.com and not ebay.co.uk you may not know that you will incur customs charges when your shoes arrive – on a \$60 pair of sneakers this can be up to £30 so you end up paying double!!!

To get around these customs charges you must do the following..

1. ASK THE SELLER TO MARK THE PACKAGE AS A GIFT RATHER THAN MERCHANDISE

2. MAKE SURE (REGARDLESS OF ACTUAL COST) THAT THE VALUE STATED ON POSTAL SLIP IS \$50 OR LESS AS GIFTS OF A VALUE OF £35 OR MORE STILL INCUR CUSTOMS CHARGES PLUS – ALWAYS MAKE SURE TO INSIST THE SELLER SENDS AIRMAIL AND NOT GROUND MAIL, THIS IS PARAMOUNT AS PAYPAL ONLY COVERS YOU FOR 30DAYS MONEY BACK AND GROUND MAIL TAKES OVER 30DAYS SO YOU ARE NOT ENTITLED TO REFUND IF YOUR ITEM DOESN'T TURN UP. WITH AIRMAIL YOU WILL GET YOUR ITEM WITHIN 14DAYS SO IF IT DOESN'T ARRIVE YOU CAN FILE A

REFUND CLAIM WITH PAYPAL!!

TOP TIP!! – Spotting fake rifts

If your new to buying rifts then you could get stung by fake rift sellers. You can usually tell fakes as they are unusual colourways and usually without original box or socks. You can also tell by other factors like materials, unusual shaped swoosh (usually long and thin) if u are unsure email me the item number and I will tell u fake or not fake, for now here are some fake colourways to look out for <http://www.rift.4t.com/photo3.html>
